WWI is an Enterprise that focuses on providing sound ecological forest management through the utilization of small diameter timber obtained from our forest thinning activities. The utilization and customizing of small diameter timbers supplies the local communities with rough cut dimensional lumber, boards and beams; and, roundwood for vigas and latillas. We also provide split firewood by the cord and delivery services.

Sawdust, chips, scrapwood, and mulch is available at our woodyard.

Business Hours 8:00am to 12:00pm & 1:00pm to 5:00pm Monday thru Friday

Walatowa Woodlands

Office (505) 834-0204
